Conditions of Booking

Please read the following section carefully. By signing the next page of this form you agree to these conditions of booking and the school's main 'Terms & Conditions of booking':

- I am confident in the water wearing a Lifejacket or Buoyancy Aid.
- I am willing to comply with all safety instructions / regulations.
- I am physically fit and able to take part in the training activity. (Note: On page two of this form you must give details as stated. An illness/disability will not necessarily prevent you from attending a course however it is essential that the school is made aware of your condition prior to accepting your booking.). Contact your own GP for advice if necessary.
- Your safety and that of all course participants is paramount. You must follow the Instructor's reasonable instructions at all times. Life jackets are provided for your safety/comfort and will be worn as instructed.
- The Instructor's decision is final as to whether the course proceeds in light of weather or other conditions that in his/her view make the continuation of the course unwise/unsafe.
- In adverse weather conditions the Instructor may decide to limit the course to the confines of the harbour
- Smoking is not permitted on any school craft
- All courses require you to reach a certain standard at which the relevant certificate can be awarded. Certificates can only be awarded to those reaching that standard
- Drinking alcohol and driving a powerboat are incompatible activities. Course participants agree not to consume alcohol during the course
